

Brett N. Daily

Eugene OR 97405 | 949-683-9710 | brett.n.daily@gmail.com

Objective

Obtain relevant and valuable work or internship experience that supports my academic goals and the acquisition of skills necessary for a career in analytics, GIS, and spatial data science.

Education

University of Oregon, Eugene – anticipated graduation: December 2020

Major: Spatial Data Science and Technology

Minor: Computer Information Science

Minor: Economics

Mission Viejo High School – graduated June 2015

Experience

Paleogeography Project - Eugene, OR

Worked with Pat Bartlein to create paleo shapefile data over the past 26,000 years. Our data includes shorelines, ice sheets, and proglacial lakes with 1 kyr intervals.
